*Students seeking licensure in family and consumer sciences education must meet licensure standards as well as degree requirements. See Family and Consumer Sciences Education Licensure Requirements (B.S.) and the College of Education Secondary Education teaching webpage. Students seeking licensure in family and consumer sciences education may apply 1–4 hours of specified EDSEC courses as Human Ecology electives.

****120 Hours Required for Graduation**

>Grades of "C" or higher are required

Note: The College of Human Ecology requires a "C" or higher in "Professional Studies" courses, and the K-State 8 requirements must be met.

Up to half of the credits required for a four-year degree may be completed at an accredited two-year college. *

Maximum of 60 credits from a two-year institution.

Each student must complete at least 30 K-State resident credits to be considered for a degree from K-State. Further, the student must complete 20 of the last 30 hours of resident credit at K-State. A minimum of 45 hours must be at a course level of 300 or above.

Fall 2015
