

EARLY CHILDHOOD EDUCATION

DEPARTMENT OF APPLIED
HUMAN SCIENCES

KANSAS STATE
UNIVERSITY

College of Health and
Human Sciences

OUR PROGRAM

Early childhood education is a career for individuals who seek the satisfaction of enhancing the development and learning of young children. This program is designed for students who wish to work as licensed teachers in early care and education programs for young children, birth through kindergarten, including children with disabilities. Graduates are licensed-eligible educators working in a variety of settings including public schools, private and not-for-profit childcare programs, and military or corporate early education programs.

PROGRAM HIGHLIGHTS

Graduates meet the requirements for the Kansas teacher licensure in early childhood unified (birth through kindergarten) • Supervised clinical practice integrated with course work • Hands-on teaching experience • Undergraduate research opportunities • Education abroad opportunities • 100% pass rate on the two national early childhood education teacher licensure exams • 99% job placement rate • Dedicated student organization
