

**DAWLEY-SCHOLER AWARD
FOR FACULTY EXCELLENCE IN STUDENT DEVELOPMENT
Support Form**

Name of Nominee:

The faculty member whose name appears above has been nominated for the Dawley-Scholer Award for Faculty Excellence in Student Development in the College of Human Ecology. Your name has been provided as one who is qualified to rate her/him as a former student or mentee of the nominee.

Type your responses into the greyed fields.

Indicate the score which best describes your rating of the candidates in the following categories. The maximum score possible for each category is 25 points (maximum total of 250).

The candidate demonstrates concern, compassion, and observable commitment to an endeavor outside the sphere of self-interest in the following ways:

Goes "above and beyond" the regular duties as defined by his/her position. /25

Recognizes students as individuals; emphasizes the importance of personal growth. /25

Demonstrates a caring attitude toward students. /25

Fosters and encourages personal growth. /25

Challenges students to achieve beyond their expectations. /25

Shows sensitivity to cultural, racial, and ethnic diversity. /25

Demonstrates accessibility to students. /25

Assists students in monitoring & evaluating their educational & professional progress. /25

Develops mentoring relationships. /25

Challenges students to reach their potential. /25

(Form continues below)

Please provide a written narrative detailing the contribution for which the candidate is nominated, including relevance and importance to student development. Limit the statement to the space provided on this page. Type your statement into the greyed box, which will expand as you type.

Name (Write / type your name to sign the Support Form)

Date
