A Look at Our Book

Today your child enjoyed the book **We're Making Breakfast for Mother** by Shirley Neitzel. In the book, Mother's family is surprising her with breakfast in bed. Through delicious rhymes, the reader "builds" the wonderful breakfast from flowers and tray to toast and tea. After enjoying the feast together, the family gets dressed and goes for a hike.

Make time to read together with your child. Remember these tips when reading with your child:

- Make it a special time together.
- Follow the story, but take time for your child's questions or remarks.
- Put variety and "life" into your reading voice—show you enjoy reading, too!
- Include older children and other family members—we are never too old to hear a good story.
- Show your child how to handle books carefully—use a bookmark to mark page, and turn pages gently.
- Most importantly—**HAVE FUN!**
