

# Handwashing Poem *for* Kindergarten and First Grade

We wash our hands to keep them clean . . .

The cleanest hands you've ever seen!

Use soap and water — that's the way

To chase those yucky germs away!

# Handwashing Poem *for* Second and Third Grade

Soap and water, that's the way,

You can wash the germs away.

Keep on washing — when you do,

You'll get rid of germs, it's true.

Now your hands are clean, here's why:

Germs are down the drain, goodbye!
