A Look at Our Book

Today your child enjoyed the book **Kitten's First Full Moon** by Kevin Henkes. In this award-winning book, readers follow a kitten on her persistent journey for a bowl of milk. Ask your child about the healthy snack they prepared using milk.

Make time to read with your child. Remember these tips when sharing a story:

- Make it a special time together.
- Follow the story, but take time for your child's questions or remarks.
- Put variety and "life" into your reading voice—show you enjoy reading, too!
- Include older children and other family members—we are never too old to hear a good story.
- Show your child how to handle books carefully—use a bookmark to mark page, and turn pages gently.
- Most importantly—**HAVE FUN!**

2. Be a role model – drink milk yourself.
3. Keep milk cold. It tastes better.
4. Offer chocolate or fruit-flavored milk – your child will benefit from the same great nutrients as white milk.
