

Special Summer Program

Add more to your degree

Add a Conflict Resolution Certificate to your degree in just one summer!

This summer, the School of Family Studies and Human Services in the College of Human Ecology will lead an exciting option for summer school at Kansas State University. The Summer Institute in Conflict Resolution invites students from K-State and all over the world to spend two months on campus or online learning together, allowing students to earn a valuable certificate in eight weeks. You can add two more classes another semester and have a minor in Conflict Analysis and Trauma Studies. Conflict Resolution provides valuable skills for professionals in any industry.
