 Responsibilities: Completed literature review and assisted in the plan to design a survey study for a paper we published on common presenting problems in counseling centers.
- 2003 Undergraduate Research Assistant (Dr. Paul Robinson), BYU
 Responsibilities: Found scholarly articles on children who abuse parents.

Research Interests

My area of programmatic research advances what is known about couple and family relationships, and the clinical treatment involved with improving these relationships. Grounded in systems theory, I have a thematic focus on cognitive, affective, and behavioral interactions between romantic partners and family members—couple- and family-processes—linked with improved relationship outcomes.

Licensure/Certifications

2012	Licensed Marriage and Family Therapist, State of Kansas (2465) and Michigan (4101006582)
2010	Certificate in Educational Measurement and Statistics from the Department of Educational Psychology and Learning Systems, FSU
2007	Certified trainer, Within My Reach, PREP, Inc.
2004	Trained mediator with divorcing couples
