RESEARCH STATEMENT

My research interests are divided into the following categories: (1) traumatic brain injury and the use of virtual rehabilitation techniques, (2) influences that lead to the choice of athletic training as a major, and (3) the perceptions of study abroad as well as international travel for the undergraduate student.

GRANT FUNDING

1. **National Institutes of Health (NIH) T34 T34GM142609**
 - a. “Bridges to the Baccalaureate Research Training Program at Kansas State University” Tier 1 grant
 - b. For this grant I work with multiple graduate faculty in HHS and across campus to train minority and under-represented students in STEM. This includes quality control on student research progress, benchmarking data for feedback to NIH, trainee diversity reports, and undergraduate and graduate student support services. This includes supporting research projects at three partner community colleges in southwest Kansas.
 - c. PI (Jordan), co-PI (Behnke) \$1,641,958 July 2021-May 2026
2. **US Department of Agriculture (USDA) 2020-38413-30894**
 - a. “Development of Multicultural Scholar Graduates and Leaders with Global Competency”
 - b. For this grant I work with graduate faculty in HHS to assist the students in supported opportunities for applied research and community development programs. This includes academically and professionally preparing students to enter graduate programs.
 - c. PI (Yarrow), co-PI (Jordan), co-PI (Haub), co-PI (Hoss) \$198,446 August 2020-March 2024
3. Development of a Professional Mentoring Program-Targeted Tuition Enhancement Grant (J. Buckwalter, S. Jordan, B. Fees) \$100,000 (2014)
4. Development of a Targeted Tutoring Program-Targeted Tuition Enhancement Grant (J. Buckwalter, S. Jordan) \$39,800 (2016)
