- Any Entrepreneurship courses
- Any Mass Communication courses

Students can also work with their academic advisor to see if any other courses offered at the university will fulfill the requirements of the professional electives. There are unlimited possibilities, for example, students who want to work with film and theater costumes might choose 18 credits within theater or students interested in fashion and dance might select 18 credits within dance and kinesiology. Faculty will approve any set of courses students successfully explain to be supportive of their future goals.
