

Kinesiology Advising Waiver Form

I understand that University Policy involves providing all students the opportunity to meet with an academic advisor prior to enrolling. I understand the normal class progression and pre-requisites for all the Kinesiology curriculum and do not think it is necessary for me to meet with an advisor. Therefore, I choose to enroll without meeting with an advisor and take full responsibility for the classes I select and the number of hours I will attempt next semester. I ask that my enrollment flag be removed so that I may enroll without advisement. I understand that this decision does not waive my right to meet with an advisor at a later date whenever I desire to do so.
