

Personal Financial Planning
School of Family Studies and Human Services
Kansas State University

Are you a motivated and dedicated student interested in pursuing your doctorate degree as an on-campus resident student in Manhattan, Kansas? If you said “yes,” the Personal Financial Planning faculty encourage you to apply for a graduate teaching or research assistantship.

Graduate assistantships are offered on a competitive basis yearly. Assistantships pay approximately \$12,000 on a nine-month basis and are funded for three years, assuming that recipients remaining in academic good standing. Possible extensions of assistantships beyond three years may be available, depending on funding and staffing needs.

If interested, please complete the Graduate Assistantship Application and return it with your application materials or separately to:
