- No noise making paraphernalia is allowed.
- Please be mindful that this celebration is about all of the students in the college. Do not take away from others by drawing unnecessary attention to yourself through any part of the ceremony.
- You **may not** have any additional people walk with you across the stage (except in instances requiring ADA accommodation, which must be scheduled in advance through the Dean’s Office.)

Other Things:

- Tassels: The college color tassel is burgundy and is the preferred color tassel for the commencement ceremony. However, if you have been provided a tassel from a campus organization, that may be worn in place of the burgundy tassel.
- You will be doing a lot of walking and standing on concrete and descending a four story concrete stair well. Extreme high heels or sandals can make walking the stairs and ramp to receive your diploma unstable and awkward.
