Admission to the Athletic Training program is selective and highly competitive. A complete application (including an official high school transcript, and/or collegiate transcripts, and official ACT or SAT test scores and application fee) must be submitted to the K-State Office of Admissions by February 1. Contact the K-State Office of Admissions for further details.

Advancement to the Professional Phase: Students must meet the following qualifications to be considered for admission into the professional phase:

- # Complete FNDH 120, 121 and 320 (or equivalent) with a grade of “B” or above.
- Pass a physical examination by a physician that meets the technical standards of the accreditation board
- Receive grades of “C” or higher in professional and supporting courses that have been completed (at KSU or transfer institutions)
- An overall GPA of at least 2.75 (at KSU and transfer institution)
- Evidence of competency on entrance oral and written examinations

***120 Hours Required for Graduation**

>Grades of “C” or higher are required

Note: The College of Human Ecology requires a “C” or higher in “Professional Studies” courses, and the K-State 8 requirements must be met.

Up to half of the credits required for a four-year degree may be completed at an accredited two-year college.

Maximum of 60 credits from a two-year institution.

Each student must complete at least 30 K-State resident credits to be considered for a degree from K-State. Further, the student must complete 20 of the last 30 hours of resident credit at K-State. A minimum of 45 hours must be at a course level of 300 or above.
