OVER
The Master of Science in Athletic Training

There are two routes to gain admission to the master’s program: acceptance into the 5-year master’s program after the third year, and a Post-Baccalaureate degree admission.

High School Graduates who are admitted to Kansas State University may indicate that they are pursuing the Undergraduate non-certification Athletic Training Degree. Students will be enrolled in the Department of Food, Nutrition, Dietetics and Health in the College of Health & Human Sciences.

All eligible students will apply for admission to the Masters of Science in Athletic Training Professional Program by submitting a completed application and participating in an on-campus interview in the spring of their third year or after completion of their baccalaureate degree. Admission to the Professional Athletic Training Program will require a minimum 3.0 GPA, completion of/ or current enrollment in all pre-requisite courses listed below and verified completion of 75 hours observation with a certified Athletic Trainer.

Transfer students will need to send official transcripts from all institutions they have earned credit including fall grades and spring classes that they are currently enrolled. Admission to the Professional Athletic Training Program will require a minimum 3.0 GPA, completion of/ or current enrollment in all pre-requisite courses listed below and verified completion of 75 hours observation with a certified Athletic Trainer.

The Post-Baccalaureate admission will require a BA or BS from a college or university, a minimum 3.0 GPA, admission to the graduate school, verified completion of 75 hours of observation of a certified athletic trainer, and verified completion of Kansas State University, or transfer equivalencies of the following pre-requisite courses:
