ACEND Didactic Program Verification Statement

Graduates of the Dietetics program are eligible to receive an ACEND Didactic Program Vertification statement. This verification statement allows the student to apply to accredited supervised practice programs, which is a required step in the pathway to becoming eligible to sit for the RDN credentialing exam. The verification statement also immediately qualifies a student to take the Commission on Dietetic Registration (CDR) credentialing exam to become a Nutriton and Dietetics Technician, Registered (NDTR). Students interested in receiving the ACEND Didactic Program Verification Statement must indicate their interest midway through the curriculum.
