Fall 2019 (rev. 5/28/19)
BUSINESS MINOR
Students can complete requirements for a business minor concurrent with completion of requirements for the B.S. in Hospitality Management. Following are the requirements for the business minor.

- To graduate in a K-State College other than Business Administration.
- Complete the fifteen credit hours of business courses listed. Students are responsible for meeting the prerequisites for each course.
- Students must achieve a 2.50 cumulative GPA (K-State and Transfer) in the five courses that comprise the minor. (NOTE: the HMGMT degree requires a minimum of a ‘C’ in the five minor courses to meet its Professional Studies requirements and the College of Business Administration will not accept a transfer grade of “D”.)
- At least three of the five business courses for the business minor must be taken at Kansas State University. The College of Business Administration determines application of any transfer courses within the minor. Consult the College of Business Administration before taking transfer courses to be applied in the minor.
- Obtain and complete a minor declaration form in Business Building, Room 1001
