

College of Human Ecology Ambassador Application 2019-2020

The mission of this organization is to promote the College of Human Ecology to alumni, friends, prospective students (and their families), and to engage current K-State students. Ambassadors represent the College of Human Ecology during College and university-wide recruitment events on and off campus and provide a voice to current students enrolled in the college. Applicants must have the desire to represent the College of Human Ecology in a positive light, and are expected to demonstrate leadership by participating in the many opportunities for both college and departmental events. It is not required that students interested have extensive knowledge about our College and academic programs. Formal training and attendance at monthly meetings will be required. Ambassadors are required to participate in at least 15 volunteer hours per semester.

Qualifications:

- Enrolled in a major in the College of Human Ecology
- Full-time undergraduate student (12 hrs./semester minimum)
- Cumulative K-State GPA of 3.0 or higher
- Able to commit to a full academic year
- Selections based on completion of the application and interview process
